

Parish and neighbourhood workshop

An invitation only workshop to give you an opportunity to help shape Suffolk Design.

Time & Location

26 Feb, 10:00 – 13:00

The Mix Stowmarket, 127 Ipswich St, Stowmarket IP14 1BB, UK

Purpose of the day

A Suffolk wide initiative to improve design quality in the built environment. In partnership with Suffolk Association of Local Councils (SALC), we are hosting a workshop to give you an opportunity to help shape Suffolk Design. We want to hear about how villages and neighbourhoods in Suffolk are changing and the challenges you are facing.

We want to learn from your experience of:

- Engaging with developers and the planning system.
- neighbourhood Planning and other parish/neighbourhood policy and guidance.
- Working with district and borough councils, and the County Council.

To do this, we will be hosting a series of workshop sessions that explore how things have worked to date and which identify areas where improvements can be made. These will then feed into the emerging Suffolk Design project and help shape how it helps in improving outcomes.

Agenda

<i>Time</i>	<i>Item:</i>	<i>Lead</i>
09.45	<i>Arrival and registration</i>	-
10.00	Welcome and introduction to the day	GH
10.10	Presentation: Suffolk Design so far	AH
