Amy Burbidge

Homes England, formerly North Northhamptonshire Joint
Planning Unit

Suffolk Design

Break

Suffolk Design

Tools of proactive planning; process and policy perspective

Roger Estop

Consultant and DSE Panel member

Workshop

What is the form and structure of this particular tool?

How was it procured?

How is it positioned/what is it aimed at doing?

How effective is it for that purpose?

Are there any other benefits?

Could there have been a different tool with a similar, or improved effect?

What relevance might this particular tool have to Suffolk?
